

Thank You for Your Support

Thank you for your continued support of the Ignatius DiNardo Foundation. With your generosity, we have raised over \$145,000, and 100% of your donations directly cover healthcare and preventive care expenses.

Your support has impacted over 600 patients, ensuring they receive the vital care they need. We are grateful for your commitment to our mission and for helping us carry forward Dr. Iggy DiNardo's legacy.

Our Commitment

The Ignatius DiNardo Foundation is committed to ensuring that essential healthcare is accessible to underserved communities. We provide financial assistance, preventive care, and unwavering support to patients during illness and uncertainty.

Working closely with our partners at The Community Foundation of the Eastern Shore, Tidal Health, Riverside Shore Memorial Hospital, and Atlantic General Hospital, we help patients in Delaware, Maryland, and Virginia who cannot afford necessary healthcare.

Exciting News!

We are excited to announce our Dr. Iggy DiNardo Healthcare room sponsorship at the Perdue Henson Junior Achievement Center in Salisbury, Maryland, which will provide learning of financial literacy, work readiness, and entrepreneurship to more than 10,000 students each year. We are honored to create a lasting legacy in the community Iggy served.
